RUM-RUNNING ACTIVITIES TAKE CUTTER FROM BASE

CUTTER ALGONQUIN.

The United States coast guard cutter Algonquin, which bases at Astoria, recently was ordered to San Francisco in connection with patrol duties against liquor smuggling. With the Algonquin away from her station the Columbia river is without a cutter and the nearest is the Snohomish, stationed at Port Angeles, approximately 200 miles from the Columbia river. The Japanese steamer Tenpalsan Maru going aground off the mouth of the Copalis river yesterday morning was cited by shipping men as showing the importance of having a cutter stationed regularly at Astoria. The distance from the mouth of the Columbia river to the Copalis river is about 57 miles.

PLEDGE TO O. N. S.
Where the western breezes bless,
'Mid Willamette's loveliness,
There's a campus dear and school we cheer,
We love you, O. N. S.
For the high aims we revere,
For the friends we've made each year,
For the golden haze of student days,
We love you, O. N. S.

Refrain:
O. N. S., we dearly love you,
And our hearts allegiance pay,
To the flag unfurled above you,
To the Crimson and the Gray.
O. N. S., thy sons and daughters
Proudly stand to pledge thy name;
In our hearts you'll live forever,
Here's to thee, thy health and fame.

Words—Laura J. Taylor.
Music arranged by Jennie Peterson.

NORMAL HYMN
Live, Normal live, in majesty and might.
Thou hast emerged in splendor from thy
night.
Past storm and strife, thou doest in tri-
umph reign.
And proudly floats our banner free, free
from stain.

Noble and strong thy sons and daughters
are;
All walks of life have felt thy fervent
power;
Thy record casts a radiance o'er thy name.
A lasting tribute to thy aim, thy worthy
aim.

Beloved school we pray thou e'er may stand

Memory Book- Orpha Kleckner 1912- 1930s Westport, Oregon

By Jim Aalberg May 1, 2021:

This Memory Book was purchased by Sheldon Scorrott an antique dealer with a store in downtown Hillsboro, Oregon from a family estate sale in Hillsboro in 2021. Due my interest in Westport the dealer donated this photo and memory book to the CCHS.

This memory book was owned by Orpha Kleckner born in Michigan in 1905 moved with her parents and sisters to Westport Oregon in circa 1909 from Copenish, Michigan. Father Robert F. born 1860 in Pennsylvania mother Winona born 1877 in Pennsylvania sisters: Hilegard "Dody" born 1909 Michigan, Avis born 1902 Michigan, Francis "Buddie" born 1914 in Westport, Or. Orpha "she attended the 2-room school for 8 years" in Westport. 1930 federal census for Westport shows Robert age 71 married at age 25 Winona age 53 married at age 25 and owned a home values at \$2,800. Robert was a "belt-man at the Westport lumber Co. mill. He started as an "oiler". He was on the school board of School District #7 at Westport from 1917 to 1925. The Kleckner home was in the hill area (McLean Hill Road) south of town. They visited friends or maybe worked at the Buster Camp, a large logging operation/community on the Kerry Line. Kleckner is a German surname.

Ophra became a teacher attended and graduated from the *Oregon State Normal School* in Monmouth, Oregon in the early 1920s. This was a teacher training institution established by the state 1882, prior to that it was *Monmouth University* established in 1856.

The earliest dated Westport photo in the book is dated 1912 of a birthday party. Maybe earlier ones just not dated and labled Westport.

The photos and other items show Westport, Astoria, Silverton, Monmouth Oregon Normal School, Copenish (small village in northern Michigan photos 1909) Yamhill, Seaside promenade, Buster Logging Camp- Hunt home-logging operations.

Photo description purchased separately from the same antique store in Hillsboro , Oregon, separate from the memory book, CCHS has the original:

The grade school was built in circa 1908 on one acre of land donated on May 10, 1906 by David West the son of "Captain" John West. The lower floor housed grades 1-4 and the up-floor grades 5th through 8th. The school bell was from a decommissioned SP&S Railway locomotive and was donated to the school. The school was located a hundred yards east of the Westport Pioneer Cemetery off Hungry Hollow Road. On New Years day in 1920 the school was partial destroyed by fire. The main floor of the school building was then converted into apartments and served a teacherage.

Forty-four individuals are in the photograph including two teachers. Handwritten on the back of the photograph are 33 names including two teachers. Three female students are marked by an "x " Orpha Kleckner (born 1905) Hildegard Kleckner (born 1909) and Avis Kleckner (born 1902) all daughters of Robert F. Kleckner and his wife Winona. Robert was an oiler at the Westport Lumber Co. This photographic was likely owned by the Kleckner family.

The handwritten names were on back of the photograph. Jim Aalberg purchased the photo on eBay for \$37.50 in March of 2021. The seller stated he purchased at an estate sale in Hillsboro, Oregon.
